

Brother Supports Airprint!

Brother's range of Printers, MFC's, Labellers and Mobile Printers support Apple's AirPrint. The beauty of Brother's solution is the support for One to One connections between our wireless models and your Apple device.

Brother's Printers, MFC's, Labellers and Mobile Printers support the following iOS devices:

- iPad (all models)
- iPhone (3GS or later)
- iPod Touch (3rd generation or later)

Product Support Centre - No charge or time limit!

In order to offer the best possible service, Brother International (Aust) Pty Ltd has dedicated and trained staff in our national Product Support Centre to provide you with immediate assistance. This allows you to speak directly with a highly trained support engineer, potentially eliminating the need for you to wait for a technician to arrive on-site. The standard hours of operation of the Product Support Centre are from 8:30am to 5pm Eastern Daylight Saving Time, Monday through Friday. There isn't ANY charge to call for assistance, and there isn't ANY time limit with the customer care team.
